PREFACE

The articles appearing in the *Southwestern Economic Proceedings, Selected Papers*, Volume 34, Number 1, were presented at the 34th annual meetings of the Southwestern Society of Economists held in San Diego, California in March, 2007. All papers selected for publication this issue were reviewed either by outside reviewers or by the editorial staff of the *Southwestern Economic Review*.

The publication of this issue of the *Southwestern Economic Proceedings, Selected Papers* was made possible by the support and efforts of a number of dedicated people. First, the faculty of the TCU Department of Economics and Andrew Schoolmaster, Dean of AddRan College of Liberal Arts at TCU, provided much needed support which ensured the success of this endeavor. Second, the reviewers of the manuscripts provided much needed expertise in helping to decide which papers should be accepted for publication. Third, Tami Freeman of Arkansas State University turned the accepted papers into final publishable form. Fourth, Howard Horne and his staff at the TCU Printing Services Department took the papers and produced this volume. Finally, John Lovett of the TCU Department of Economics provides the expertise for the electronic version of this publication (www.ser.tcu.edu). The editor is grateful for all of this help and hopes this issue of the *Proceedings* will promote and advance our organization, the Southwestern Society of Economists, to new educational and professional horizons.

The Southwestern Society of Economists is affiliated with the Federation of Business Disciplines. The annual membership fee of the Society is \$35 and includes a subscription to the *Southwestern Economic Review* and the *Southwestern Economic Proceedings, Selected Papers*.
